2021 School Performance Information

St Mary's School is a Catholic primary school founded in 1926 and staffed by the Sisters of St Joseph of the Sacred Heart until 1986. The school continues to strive for the ideals of Saint Mary MacKillop in its service to country children and families. The school of today caters for students from Three-Year-Old Kindy to Year Six. We endeavour to create a comfortable atmosphere for all children, which will enhance their self-esteem, confidence, dignity, respect and willingness to learn. St Mary's School is committed to the education of the whole child based on Gospel values. The school strives for excellence in all areas and involves the parents and community in the education of the children. This is carried out in a caring environment where individual needs are catered for in a spirit of compassion, understanding and encouragement. A team approach to education is a feature of St Mary's. The school enjoys excellent support from the School Board and a very active Parents and Friends Association. The school also enjoys a very close and supportive relationship with the Parish. Everyone at St Mary's is committed to the school motto, "To do ordinary things extraordinarily well".
